(b)(3)
CIAAct

John,

The Publications Review Board has completed its review of your manuscript entitled "Memoir (Book Proposal)." The PRB is providing you with provisional approval. This provisional approval is contingent upon your agreement to make the following change (as discussed):

(b)(3)
NatSecAct

The Board is provisionally approving your book proposal text as written but this does not imply approval of your book in its entirety or of any further details that you may include in the coming book manuscript. You must submit your book manuscript to PRB prior to sharing it with your publisher or anyone else.

If, subsequent to this approval, you add material to or change the manuscript the Board has reviewed, you must submit these changes to us before giving them to your publisher or anyone else. Please mark or otherwise indicate the new material clearly so we can expedite our review. Additional items that require submission include but are not limited to photographs, photograph captions, illustrations, diagrams, tables, charts, or maps.

The Board requires that you include the following disclaimer within your publication:

All statements of fact, opinion, or analysis expressed are those of the author and do not reflect the official positions or views of the CIA or any other U.S. Government agency. Nothing in the contents should be construed as asserting or implying U.S. Government authentication of information or Agency endorsement of the author's views. This material has been reviewed by the CIA to prevent the disclosure of classified information.

Please do not hesitate to contact PRB if you have any questions or if we can be of further assistance.

A copy of this provisional approval will also be mailed for your records. Please verify receipt of this e-mail to ensure we have the correct address.

Please include [   ] on all correspondence.
